In particular, the information or documents herein are not intended for general distribution in the United States or for the account of U.S. persons (as defined in Regulation D under the United States Securities Act of 1933, as amended (the "Securities Act")) except to persons who are "qualified purchasers" (as defined in the United States Investment Company Act of 1940, as amended (the "Company Act") and "accredited investors" (as defined in Rule 501(a) under the Securities Act).

Investing in financial markets involves a substantial degree of risk. There can be no assurance that the investment objectives described herein will be achieved. Investment

losses may occur, and investors may lose some or all of their investment. No guarantee or representation is made that the investment program, including, without limitation, its investment objectives, diversification strategies, or risk monitoring goals will be successful, and investment results may vary substantially over time. Investment losses may occur from time to time. Nothing herein is intended to imply that the investment methodology set forth herein may be considered “conservative”, “safe”, “risk free” or “risk averse”. Economic, market and other conditions may also cause alterations to the investment objectives, guidelines, and restrictions.

Certain information contained in this material may constitute “forward-looking statements,” which can be identified by the use of forward-looking terminology such as “may”, “will”, “should”, “expect”, “anticipate”, “target”, “project”, “estimate”, “intend”, “continue” or “believe” or the negatives thereof or other variations thereon or comparable terminology. Due to various risks and uncertainties, actual events or results or the actual performance of Bean & Co Global Ltd. may differ materially from those reflected or contemplated in such forward-looking statements. Bean & Co Global Ltd. believes the information contained in this material to be reliable but does not warrant its accuracy or completeness. The estimates, investment strategies, and views expressed in this document are based upon past or current market conditions and/or data and information provided by unaffiliated third parties (which has not been independently verified) and is subject to change without notice.
